4 Bedroom, 3.00 Bathroom, 2,750 sqft
Residential on 0 Acres

N/A, La Crescenta,

Large, thoroughly remodeled 4 bed/3 bath home with two suites in La Crescenta's sweet spot: on a cul de sac, steps away from both double Blue Ribbon Award-winning Monte Vista Elementary and beloved Two Strike Park. The home was completely renovated in 2020, when the family room at the rear of the home was added with permits. Also completely new from that time are the kitchen, family room, laundry room, junior bathroom and many home systems. Among the many upgrades made: new roof and gutters for the whole house; new HVAC system; new 200 amp electrical; new siding for the whole house; new engineered wood floors; new kitchen cabinets and quality GE and Bosch appliances; new washer and dryer; complete renovation of downstairs master bathroom; new doors; new interior and exterior lighting; some new windows (the whole house features dual panes); new water purification system; new electrical conduit box in the garage for EV charger. Among the home's other great features are the 6800 SF lot with flat grassy front and back yard spaces, large, second bedroom suite above the garage, the workshop room in the garage, and the utility room in the backyard that can probably be reconfigured as a small office. Assigned to La Crescenta's award-winning Blue Ribbon schools K-12 (Rosemont Junior High is also quite close to the home). Title shows 2432 SF, which does not include the permitted addition. This is just a really great home for

those who would like something large,
remodeled (and not flipped), and with prime
location near schools.
