N/A, Joshua Tree,

This charming home was completed in 2017 by Brian and Kathrin Smirke of the renowned design team 'We Are In Our Element' (of Dome in the Desert fame). As a guest favorite on airbnb, it's ranked in the top 5% of homes based on ratings, reviews, and reliability. Fully tricked out with all of the contemporary conveniences you'd expect in a modern desert property, including Indoor fire-sprinkler system and a fire-resistant premium metal roof as well as custom built steel fencing around the perimeter of the property. The smart home and energy efficient amenities include keypad entry, Nest thermostat, double-pane windows, and densely insulated walls & ceilings.

Upgrades include an entertainer's kitchen with large island, concrete floors, walk-in closets, and designer finishes throughout. Home is on city water. Commune with wild bunnies and roadrunners, stargaze from the pergola covered hot tub, or roast marshmallows over the fire pit. The spacious yard boasts gorgeous sunset views and the chance to feel secluded but not isolated. Located in the Joshua Tree Village and minutes to the Farmers Market, restaurants, saloon, bakery, artist spaces, and stores. Joshua Tree National Park is moments away and Palm Springs is only a 45-minute drive. Sold furnished with just a few exclusions, this home is ready to go. It's gonna be so good!
