Residential Lease on 0 Acres

Not Applicable, Los Angeles,

Spectacular Silver Lake view home. Lease an iconic Los Angeles experience, with a pool and views of the Silver Lake reservoir, Hollywood Sign, and Griffith Observatory while enjoying complete privacy from neighbors.

Designed by architect Scott Roberts for himself and his family, the home has been lovingly restored and updated, without sacrificing one bit of its legacy. Gorgeous original features are around every turn, such as the entry door with Stan Bitters tile inlay, antique shoji screens restored by LA Shoji, wood shelves, and Herman Miller 'Nelson' light fixtures throughout. The property features a secure entry gate with video intercom system. It is shaded by 100 year old Canary Island pine trees and eucalyptus. Modern upgrades include a mid-century "cool roof", top-of-the-line Mitsubishi heat and AC system, LG smart enabled electric washer and dryer, and an industrial open burner gourmet stove. There is even a professional photography dark room in the garage. You will find Hansgrohe thermostatic spa shower systems in both bathrooms. The breathtaking landscaping features a sustainably managed koi ready pond and waterfall, arroyo river rock, and the original lap pool with its shaded patio. This home has hosted some of Los Angeles' most legendary artists, a Bangles Record was made here, and the inimitable Ry Cooder once described the house as "wonderfully porous". Come see, and hear, for yourself.
