Welcome to this beautifully renovated 1956 Traditional Ranch style home. It features picture-perfect curb appeal highlighted by a circular driveway, charming landscaping and a welcoming entry. The home has a wonderful floorplan with 3 bedrooms and 2 bathrooms. There is also a spacious detached office/bonus room with beamed ceilings and a newly renovated 3/4 bathroom with a separate entrance located right off the pool area. The main house features crown molding, hardwood floors and recessed lighting throughout. The living room is highlighted by a stone fireplace and flows seamlessly into the bright and spacious family room. There is a second stone fireplace in the family room with an elegant wood mantle and multiple sets of sliding glass doors which offer lovely views of the back yard. There are multiple spaces inside the home to entertain and gather with friends and family, such as the formal dining room with built-in cabinetry and the spacious eating area off the kitchen and family room. The remodeled kitchen features granite countertops, updated cabinetry, stainless steel appliances and a generous pantry. All three bedrooms are located off a central hallway. The primary suite features an updated en-suite bathroom and generous closet space. Two additional bedrooms and a hallway bathroom, with original 1950s turquoise tile adds vintage charm to the home. Expansive sliding glass doors off the family room and kitchen lead to a true backyard oasis--complete with a spacious

The detached separate office/bonus room in the backyard is spacious and light-filled, with a rustic built-in desk, bookshelves and a post-and-beam vaulted ceiling. Attached to the structure, but with a separate entrance, is a newly remodeled third bathroom with a laundry area, making it a convenient option to convert it to a pool house or an ADU. An attached two-car garage that has upgrades such as a new quiet powered garage door opener with Bluetooth, a custom paint-job with finished drywall, upgraded led shop lighting and upgraded electrical in the garage completes this exceptional home.
