Residential on 0 Acres

N/A, Pasadena,

Located in the highly desirable Southwest Pasadena neighborhood, this grand, single-story, English Revival residence offers luxury living near the banks of the Arroyo Seco. Originally built in 1936 and renovated in 2019, this home marries original character with modern design. Rare Cuban mahogany wood floors line the house, preserving its classic style from the 1930s, while high-end finishes make for an elevated living experience.

Fenced, with maturing rose bushes and screening hedges, this exclusive property presents luscious green grounds and plenty of courtyard space to relax and entertain. The formal living room showcases original, double-leaded glass French doors that lead to adjacent outdoor patios and gardens. The attached entertainment room features vaulted ceilings, built-in bookshelves, and an original, well-preserved brick fireplace. The dining room offers a formal space to dine with direct access to the kitchen that boasts towering vaulted ceilings, Miele, Sub-Zero, Wolf, and Bosch appliances, as well as custom cabinetry and leathered Quartzite countertops. The open layout of the great room seamlessly connects the kitchen to the family room. This home features 4 bedrooms -- 2 of which are master suites - and 5.5 bathrooms, plus a bonus flex room and loft space. The expansive laundry room is located right off the two-car garage that doubles as a basketball half-court. With upgraded HVAC, electrical, plumbing, Cat5 cabling, security alarm and video, and

Lifesource water system, this home is located just minutes away from the Rose Bowl, Old Town Pasadena, South Pasadena, and more. This architectural jewel is bound to become your dream home.
