## \$499,000

0 Bedroom, 0.00 Bathroom,  
Land on 0 Acres

Not Applicable, Altadena,

Set against the serene backdrop of Altadena's foothills, this 6,606 sq ft lot offers a rare opportunity to build anew in a peaceful and established neighborhood. Once home to a charming 4-bedroom, 2-bath residence spanning over 2,000 sq ft, the property is now a blank canvas following the Eaton Canyon Fire. With Phase 1 and Phase 2 of the site cleanup already completed, this lot is primed for its next chapter. Whether you're a builder, investor, or visionary homeowner, the setting offers potential for a fresh start with mountain views and a quiet, community-oriented feel. All previous utility connections existed on-site; however, buyers are advised to verify restoration needs with LA County and relevant agencies. This as-is sale requires buyers to conduct their own due diligence, including matters related to site clearance, hazardous material removal, and environmental remediation. This is a chance to reimagine and rebuild in one of Altadena's most scenic corners--close to nature, yet minutes from city convenience.
