Not Applicable, Altadena,

Set on a large, lush corner lot at the end of a quiet street, 559 E Marigold offers privacy, greenery, and glimpses of the San Gabriel Mountains. The adjacent lot is also for sale, creating the potential for a combined total of 18,380 square feet with a shared driveway entrance. The backyard feels expansive and unexpected. Multiple fruit trees, raised garden beds, and mountain views combine to create a space that feels both generous and peaceful. Located just minutes from Farnsworth Park, the shops and restaurants in Mariposa Village, and popular hiking trails, the setting balances a sense of seclusion with easy access. This offering presents a rare opportunity to build with scale, privacy, and vision in one of Altadena's most beloved neighborhoods. This was once the site of a 2 bed, 2 bath home (2 bed, 1 bath per the assessor) with 1,247 square feet of living space on a 10,050 square foot lot. With Phase 2 debris removal complete, the site is cleared and ready for its next chapter. Currently, Altadena Community Standards allow for a gross structural area of up to 3,434 square feet. This limit does not include an additional allocation for a garage or ADU. The property is being sold as land only.
