3 bedroom, 3 bathroom townhome in Pico Union neighborhood just West of Downtown Los Angeles. Built in 1986, this home is being sold for the first time, offers modern development close to a number of unique amenities in the city. The main level of the home is fully tiled and includes a half bathroom, galley style kitchen, spacious living room and connected patio along with direct access to an oversized 2 car garage with washer and dryer hookups. Upstairs are 3 bedrooms including an oversized suite with a private bathroom and high ceilings. While a cosmetic fixer, the home was recently painted and updated with new carpeting on the 2nd level. Located at the corner of the property, there is only one shared wall and plentiful light.

The interior square footage from public records is 1,223 square feet. The community of 8 homes is located at the corner of 12th Place and Union Avenue in the Pico Union neighborhood.
