Modern Three-Story Corner Home in Valley Village For sale or lease. Located close to Universal Studios, Studio City, Ventura Boulevard, and the NoHo District, this home offers both comfort and convenience in the vibrant and desirable neighborhood! The owner fell in love with this independent home partially because it was on the corner and partially because it was so full of light. Each of the three bedrooms have their own bathroom, plus there is a 1/2 bathroom on the main floor. The kitchen has quartz countertops, stainless steel appliances and custom cabinets. The owner chose to add the kitchen island while the final construction was being completed. I think you will agree, that was absolutely the right choice. The open concept living, dining and kitchen area is wonderful. The gorgeous wood floors, high ceilings and clean lines of the architects' designs are amazing. I personally like the two balconies and two patio spaces with drought resistant landscaping. There is direct access from the double attached garage and pre-wired outlet for an EV car plug-in. Additional Features: 3 Bedrooms | 3.5 Bathrooms | 1,710 Sq Ft (per public records) | 1,333 Sq Ft Lot (per public records) | Custom kitchen with island & quartz countertops | High ceilings & wood floors | Multiple outdoor spaces | Double attached garage with direct access | Built in 2017 | Don't miss this light-filled, turnkey home in the heart of Valley Village--modern California living at its finest.
