MLS® #P1-23621

\$2,450,000

4 Bedroom, 4.00 Bathroom, 3,457 sqft
Residential on 0 Acres

N/A, Los Angeles,

Perched atop Silver Lake, this stylish home features four bedrooms and four baths. Completed in December 2013 using top-notch contemporary materials, its spacious, open layout exudes luxury. Take in breathtaking panoramic views of the Silver Lake reservoir, mountains, Hollywood sign, and Observatory, spotlighted in a photo selected by the LA Times for an article on LA's luxury homes. Impressive features include a Car Turner, elevator, high ceilings, a 16.32 kW Tesla solar system with three Tesla Powerwalls, a whole home water softener/filtration system and an open-concept living/dining/kitchen area equipped with high-end appliances and a massive walk-in pantry. Additionally, there's a 400-square-foot media room or potential recording studio (not included in the home's square footage), a spa-like master bath with a steam shower and soaking tub, Hansgrohe faucets, Ernest Hemingway hardwood floors, and Porcelanosa tiles. For added convenience and sophistication, the home is smart-house ready, outfitted with security cameras and Nest thermostats. Outdoor living is enhanced by approximately 800 square feet of balconies. The exterior is constructed with Hardie cement boards for added durability. Conveniently situated near Whole Foods, libraries, restaurants, and shops, with easy access to downtown LA and The Americana.

Built in 2014
