0 Bedroom, 0.00 Bathroom,
Land on 3 Acres

N/A, Paradise,

This property resides in the sought after "Valley View" neighborhood surrounded by custom homes and scenery. The 2.9 acre lot features a large building pad with breathtaking views of the Sutter Buttes, Durham and Chico. The building pad (no concrete, just a large plot of back fill) was permitted and constructed in 2008. The property has water, power and gas ready to hook up at the street. At the bottom of the lot there is a year round creek with a small waterfall, perfect for a morning cup of coffee. There was never a structure on the site so no possibility for fire clean up contamination. A survey was completed along with a soil report (you will find the soil report in the photos, happy to supply the survey upon request). Property already has a sidewalk at the street level and a collection of boulders for a future retaining wall.
