2 Bedroom, 2.00 Bathroom, 1,126 sqft
Residential on 3 Acres

N/A, Pasadena,

Move-in ready single-level condo just south of Old Pasadena and Paseo Colorado. This recently renovated unit was built in 1981 and offers easy access to Pasadena's most desirable shopping districts, as well as the 210 FWY and the Del Mar Gold Line Station. On top of the excellent location the building itself provides additional value, such as: an on-site property manager, secure access, video surveillance, pool, spa, exercise room, rec room, exterior maintenance, water, trash, sewer, earthquake insurance, insurance for the HOA, and beautifully landscaped grounds. This 2-bedroom and 2-bathroom unit is turnkey and comes with a private balcony (approx. 120 SF) and two side-by-side parking spaces in the secure resident garage, as well as in-unit laundry. There is also a 4' X 5' (approx. 20 SF) private storage closet located in the community garage. The property blends functional design elements such as calming natural light, ample room sizes, real hardwood floors, and plentiful storage with a clean and contemporary aesthetic. The indoor-outdoor flow of this 1,126 SF (per LA County Assessor) one-level property make it feel larger than the SF number suggests. Light and bright, this unit recently underwent substantial cosmetic upgrades, including fresh interior paint, refinished hardwood floors, new recessed lighting, new light fixtures, and new plumbing fixtures. Other aspects of this property that will intrigue buyers is the beautiful gas fireplace, serene private balcony, two sliding glass

doors, central HVAC system, and quartz kitchen and bathroom countertops. This unit also comes with a stainless-steel refrigerator, dishwasher, stove, microwave, clothes washer, and clothes dryer. The Cordova Park Villas HOA is an ideal community for its residents and offers a calm suburban vibe near the hustle and bustle of downtown Pasadena. Whether you are looking for a wonderful starter home, a modern pied-a-terre, or a comfortable space during retirement, this unit can work for all types of buyers.
