Perched in the hills of one of Highland Park's most sought out neighborhoods, this Garvanza home with approved, ready to build ADU plans, has a charming yet unassuming traditional exterior and has been tastefully updated with bohemian eastsider, artistic vibes. The original hardwood floors have been beautifully restored along with the cozy fireplace and crafted mantle. The avant-garde kitchen is impeccable with high end appliances, black rich cabinetry, quartz countertops and custom tile flooring. The spacious bedrooms blend perfectly with the peaceful bathroom with its Bespoke tile and deep bathtub. The unique patio, lovingly termed "Catio," is where one can lounge alone, with friends, or with 4 legged family. This home is what makes North East LA a unique hub; complete with a serene terraced back yard primed and ready to enjoy and design the ultimate garden. In true NELA fashion, the home's spacious garage can serve as a studio, workshop, writing office, screening room, or any number of creative space options or perhaps can be converted to an ADU (permits approved).
