3 Bedroom, 3.00 Bathroom, 2,131 sqft
Residential on 0 Acres

N/A, Los Angeles,

Nestled on a serene hilltop in Highland Park, this beautifully restored 1921 Craftsman home offers sweeping views and a perfect blend of vintage charm and modern upgrades.

Thoughtful renovations preserve the home's classic beauty while providing all the comforts of contemporary living.

A covered entry leads to a bright, airy living room with coved ceilings, large windows, and a Juliet balcony, filling the space with fresh breezes and stunning views. The entry level features two spacious bedrooms, a full bath, and a convenient powder room for guests.

The heart of the home lies in the updated kitchen, complete with oak cabinetry, high-end appliances, and a butler's pantry with a coffee bar. Downstairs, the private primary suite provides an expansive retreat with a luxurious bath, featuring a freestanding tub, walk-in rain shower, dual vanities, and an enormous walk-in closet with custom built-ins and room for seating. A large stacking slider opens to a new composite deck, perfect for morning coffee or evening relaxation.

Designed for entertaining, the multi-level backyard includes a paved patio with a sunken gas fire pit, surrounded by seating and a beautifully lit tree. Below, the BBQ area features a built-in gas grill and sink for effortless outdoor cooking. At the bottom, a covered pergola offers a cozy, shaded space

to relax, surrounded by fruit trees. The lovely side yard features built-in planters with drip lines, and both the front and side yards are illuminated with stylish ground lighting.

Modern upgrades throughout include new plumbing, electrical wiring, AC and heat pump, dual pane windows, a 220v plug for an electric car charger, and fresh hardwood floors and lighting. This home offers the best of both worldsâ€”classic Craftsman elegance combined with modern living. Donâ€™t miss the opportunity to own this unique hilltop gem in Highland Park.
