N/A, Alhambra,

Tucked away on one of those rare, quiet streets where the trees arch overhead and everything feels just a little more peaceful, this home has a way of making you slow down and stay awhile. Even though youâ€™re just minutes from all the shopping, dining, and energy of Downtown Alhambra, coming home here feels like stepping into your own private retreat. Inside, the layout is both comfortable and flexible. The two generously sized bedrooms offer plenty of space to unwind, while the large bathroomâ€™with its separate tub and showerâ€™gives you room to relax and recharge at the end of the day. Thereâ€™s also a spacious bonus room that can easily become a dining room, a cozy den, or even a work-from-home setupâ€™whatever fits your lifestyle best. Mornings feel easy in the charming breakfast nook, the kind of space where coffee tastes better and sunlight pours in just right. And when you want to enjoy the outdoors, youâ€™ve got options: an enclosed patio thatâ€™s perfect for year-round lounging or entertaining, plus a large backyard with room to garden, play, or simply enjoy the fresh air. Parking is never a hassle here, thanks to the long driveway and plenty of street parking for guests (please note: the garage is not included in the lease). And the neighborhood itself? Itâ€™s the kind of place people loveâ€™peaceful, welcoming, and close to everything you need. If youâ€™ve been looking for a home that feels calm, connected, and full of possibility, this one might just be it.
