N/A, Harbor City,

This house is undergoing all new electrical updates throughout along with several plumbing upgrades, all of the plumbing was upgraded some years ago...leaving the cosmetic changes for the new buyer as they see fit for this quaint 3 bedroom (records incorrectly state as 2 bedroom) 1 bath home in a nice Harbor City neighborhood, just a couple of blocks to schools shopping, and skatepark. This property has original kitchen with 1950's vintage gas oven/stove unit. Bathroom has independent tiled stall shower, bath-tub with tiled surround, single sink and tiled countertop. Door from kitchen to outside, covered patio and good sized backyard. Several ample storage cabinets in hallway to the three bedrooms. Harwood floors are exposed in two bedrooms, while one bedroom and living room are covered with older carpet. Note that the shelving in first bedroom stays, though not attached to wall. Two car garage has man-door which opens to back patio, but does not have direct entry into the house. Most of the original windows are painted shut and not operable. Garage door opener is not operable. Property was inherited and is being sold by Trustee of family trust.
