Enchanting describes this extraordinary property located on nearly five acres surrounded by magnificent California Live Oaks. The location is private, quiet and secluded, yet convenient to everything the Central Coast has to offer. The spectacular primary structure was thoughtfully designed to provide visual enjoyment from every room and hallway throughout this striking home. The serpentine pathways provide convenient access to the beautifully landscaped grounds which include tranquil ponds and lovely patios. This wonderfully unique home is designed with two separate bedroom wings which are joined together by an open and spacious living area. The primary bedroom suite is generously sized and includes a separate attached study with a cozy fireplace. The two additional ensuite bedrooms are also exceptionally large.
