Residential on 1 Acres

N/A, Arroyo Grande,

As you drive up to this home you will be amazed by the beautiful and low maintenance mature landscaping, including fruit trees. Multiple lemon, orange and avocado were the first I saw. As you walk to the front door you get caught by the ocean view, as well as the magnificent hydrangea flowers flanking the front of the home. Upon entering the home you will find lots of windows and natural light. The kitchen and living room on one side of the home while the three bedrooms on the other. The rear of the home has a large sun room with its own entrance into the backyard.

Built in 1986
