As you open the front door you will notice this homemade barn door that separates the primary suite from the living room that is stunning and catches your eye. The shower is beautifully tiled. The walls have recently been painted and itâ€™s warm and inviting. The house has ceiling fans in each room and in the living room which provide circulating air for those summer days. The flooring is easy to maintain while bringing a lot of style to the home and goes with most decorating styles. The kitchen has granite counter tops and exquisite tile backsplashes.
