Residential on 0 Acres

N/A, Rancho Palos Verdes,

This one-level home offers panoramic views from the city lights and mountains to the queenâ€™s necklace and ocean; the current owner extended the backyard to a flatter area with permits and retaining walls on approximately 20000 + sq. ft. lot. It has four bedrooms and two baths with a living space of 1816 sq. and an additional permitted area of 180 sq. ft. It has a GREAT floor plan with a large living room and an open spacious kitchen/ dining area; some upgrades make this impeccably maintained home in lovely condition. Upgrades include a new roof, new appliances of microwave and dishwasher, all dual pane windows, wood floors, 5" baseboard & 2 1/2" window & door casings, solid core double panel doors with brushed nickel French door handles, designer floor tile in the bathrooms, new light fixtures, smooth ceilings & fresh paint. It is a lovely home on a convenient but quiet cul-de-sac street. The previous owner redid the kitchen, and the baths are in excellent condition with newer fixtures, toilet, and shower enclosure. The backyard is spacious; enjoy the ocean /city views during the day and sweeping lights at night.
