Welcome home to this beautifully remodeled end-unit within the coveted enclave of "The Gardens"! This home welcomes you into the spacious living room with hardwood floors, recessed lighting, and dual panel windows that run throughout the home, along with plantain shutters and a slick staircase railing that provides a modern and custom design. The living room leads you into the bright and open dining room that has been remodeled with a stunning wine bar designed with beautiful white cabinetry, quartz counters, stone backsplash, and a wine fridge - perfect for entertaining and hosting. Providing an open concept feel, the dining room flows seamlessly into the kitchen fit with a long counter that has barstool seating, white cabinets and blue accents to flow with the dining room, and newer stainless steel appliances. The wall of windows and glass door provide an indoor/outdoor feel and leads you out to the back patio. The patio offers more length than most units, allowing plenty of room for extra seating, a BBQ area, and even planting your own garden. The hanging lights bring a nice ambiance whether you are hosting or just enjoying some peace and privacy under the night sky. Upstairs there are two primary suites each with their own remodeled bathroom, recessed lighting, laminate floors that match the hardwood floors, dual panel windows, and one room that has its own balcony with a sliding glass door. As an end unit with only

one shared wall, this home comes with rare extra large closets in both bedrooms (finished with drywall and flooring) ideal for extra storage, a playroom for kids, more clothes, or whatever fits your needs! This home sits on the corner of Mount Shasta and Westmont, providing plenty of available street parking - great for someone with multiple cars, big cars that donâ€™t fit in the garage, entertaining guests, and/or those who want to use the garage as a work shop or man/maâ€™s cave. Additional bonuses include an entry level half bathroom, pantry, central AC, and a private 2-car garage with a laundry area and storage. The Gardens is San Pedroâ€™s most sought after community known for its lush greenbelts, functional homes, tennis courts, and pools. Centrally located, this home is near schools, parks, restaurants, and shopping; convenient for commuters whether youâ€™re heading to the freeway or the beach cities. Whether you like to entertain or prefer peace and privacy, this home fits any persons needs. Welcome home!
