Welcome to a one-of-a-kind masterpiece in the coveted Eastview neighborhood. This striking mid-century modern inspired home is a rare gem, blending industrial design with open-concept living to create a space that's as stylish as it is functional.

Originally envisioned as a warehouse turned living space, this custom designed home (completed in 2010) boasts exposed steel beams, sleek concrete floors, and a stunning staircase with an eye-catching catwalk. Spanning approx. 3,000 sq. ft., this home offers 4 bedrooms, 3 bathrooms, and endless character. From the moment you step inside, you'll be captivated by soaring ceilings, massive Fleetwood sliding doors, and an effortless indoor-outdoor flow. The first level is built for both entertaining and everyday living, featuring a cozy family room, a gourmet kitchen with breakfast nook, a dining area, and a living room with fireplace. There's even a bonus den that could be used as an office, playroom, or a potential 5th bedroom—your choice! This home is packed with modern upgrades, including a tankless water heater, a whole-house water filtration and softening system, a built-in audio system with 18 speakers, and dual-zone air conditioning for year-round comfort. Upstairs, the primary suite is your private sanctuary, featuring a spa-like ensuite with a custom concrete sink, an oversized shower with multiple shower heads, and a generous walk-in closet. Need a quiet workspace? There's an office nook, too!

But the real showstopper...step through the sliding doors to your massive 652 sq. ft. private deck, complete with a built-in firepit, overlooking views of the harbor. Outside, your backyard oasis awaits! Host unforgettable gatherings on the spacious deck, take a dip in the sparkling saltwater pool, or rinse off under the outdoor shower.
