FANTASTIC LOCATION! A rare opportunity to live on a picturesque quiet street but yet just a block away from the beach in beautiful Hollywood Riviera. This mid-century home was completely renovated and remodeled and in absolute turnkey condition. Expansive ocean/coastline views can be enjoyed from the living area. The owner used only top quality material and high-end fixtures and appliances. The kitchen, baths and laundry room have been completely gutted and rebuilt. The original hardwood floors have been refinished. All neutral paint colors have been chosen to appeal to everyone. The floorplan is very functional with the kitchen opening up to dining and living room. There are sliding doors from the living room leading out to the covered patio where you can enjoy even more of the view! New Milgard windows have been installed and the interior has been freshly painted. Refrigerator, washer & dryer are included without warranty. This home is a rare find! Check out the pictures!
