N/A, Rancho Palos Verdes,

This house may be the great choice you can have in this well-established popular neighborhood. The major remodeling for this 4-bed/3-bath house began in 2023 and was completed in early 2024 by the previous owner. Then many upgrades and improvements have been made by the current owner, including the new heat pump AC/Heater system. The kitchen area and living room were combined to be a wide-open space with new modern fixtures and equipment, including a center island. Modern laminate floors throughout. Water pipes were replaced and a new water heater was also installed. The garage is beautiful; epoxy floor, smooth ceiling and finished walls. The modern vinyl fences provide beauty and privacy. A peek of Ocean view and beautiful sunset are wonderful additional benefits. It is ready, waiting for a highly qualified tenant (730+) who is looking for a contemporary home in this excellent school district. Vista Grande is one of the most popular elementary schools in Palos Verdes Peninsula, and in fact, many people move to this area for great educational opportunities.
