N/A, Rancho Palos Verdes,

Welcome to 26235 Birchfield Drive - where panoramic coastal views meet true single-level ease. Perched in one of the South Bay™'s most coveted hillside neighborhoods, this 3,068 sq ft home offers sweeping city-to-ocean vistas from the Queenâ€™s Necklace to downtown LA - and it's priced below all other single level view homes per square foot.

Freshly painted inside and out, the home features wide hallways, generous doorways, and level transitions for seamless movement. The layout includes a potential ADU, guest quarters, office or bonus room - ideal for multi-gen living, creative use, or added income. Gated RV parking adds even more flexibility, while direct access from the garage to the kitchen makes everyday living practical and easy.

The kitchen connects to both casual and formal living areas, and the primary suite includes a walk-in closet, steam shower, and commanding ocean views. Maple floors, abundant natural light, and oversized rooms complete the package. The elevated back deck is a sunset showstopper - with low-maintenance grounds perfect for a lock-and-leave lifestyle. No HOA. No stairs. No compromise. Just value, views, and versatility - all in one of Palos Verdes™' most desirable zip codes.
