This property is an amazing deal at this new price! This is a great property to move into now, freshen up to build equity. It could also be a nice investment property. The home has new carpet and much of it has new paint. The kitchen is good size, the full bathroom is in nice shape and the floorplan is nice. There is a covered patio on the side of the house to hang out in and a large magnolia tree in the backyard that adds to the privacy plus there is a tangerine tree. There is 2 car garage and driveway parking. Close to freeway and the Port of LA. Come take a look.
