3 Bedroom, 2.00 Bathroom, 1,316 sqft
Residential on 0 Acres

N/A, Los Angeles,

Look no further price reduced for this dream home in the red-hot neighborhood of Hyde Park. This beautiful home was built in 1931 and has been completely remodeled. The exterior has retained the barrel mission clay tile roof on the front facade, upgraded wrought iron guardrail up the stairway to the front door, stair steps up the middle of the driveway provide safe pedestrian access to the main entrance and to the wrought iron driveway security gate, and a gated front yard patio to compliment the homes authentic Spanish architecture. The interior has waterproof wood-looking laminate flooring throughout, recessed lighting in the living room, kitchen, hallway, and bathroom, new double pane vinyl windows, except for the living room bay window, new interior and exterior doors and hardware, and a new HVAC system. The kitchen is remodeled with white shaker cabinets with soft closed doors and drawers, and stainless-steel appliances. A laundry room with matching shaker cabinets and a powder room have direct access to the kitchen and driveway side entry door. All the bedrooms have ceiling lighting and remote-controlled fans. The backyard is large with a detached two car garage and a long driveway with vehicles stacking space behind the security gate. The property is zoned LAR1 which may permit ADU's subject to compliance with the City of Los Angeles zoning and building codes, and departments approval. The property is minutes away from public and private schools,

commercial shopping centers, So Fi Stadium, Intuit Doom, Kia Forum, LAX, and freeways connecting to downtown Los Angeles.

Built in 1931
