This stunning North Tustin home has a breathtaking panoramic view! Taking in the view from the huge front deck, it feels like all of Orange County is laid out at your feet. At night, the city lights sparkle like gems in a treasure chest. By day, you see all the way to Catalina Island with the Pacific shining across the horizon. Arriving at the home after passing other stunning custom homes, you go from the garage level up to the elegant foyer. A few steps up the spiral staircase to the right takes you to the stunning and sprawling great room with a rustic stone fireplace open to the enormous kitchen with glistening granite counters, stainless steel appliance and a room sized walk-in pantry. Just around the corner is a large wet bar that can double as a butler's pantry. On the opposite side is a spacious formal living room and dining room with fireplace that also take in the magnificent view. There's also laundry and powder rooms on this level. Continuing up the staircase you find an opulent owner's suite with a large view deck, a fireplace and a sumptuous private bath with a big walk-in, multi-head shower, an elegant soaking tub and a walk-in closet. Also on this level are 3 secondary bedrooms that share a hall bath. Back to the foyer on the left over the garage you find a junior suite with a large living room with a private balcony and an adjoining ensuite bedroom with a walk-in closet and private bath with a walk-in shower and linen closets. Accessed from the main level is a private bake
