Residential on 0 Acres

N/A, San Bernardino,

Back on the market!! Priced to sell! Beautiful single-level home in a good neighborhood of San Bernardino. The kitchen has been upgraded. This spacious home includes a pool with jacuzzi and solar heat, and a small yard with fruit trees. There is forced air cooling and heating, a large living room and family room, a fireplace, and mountain and valley views. A two-car garage, driveway, and street parking provide plenty of parking options for guests. This home is not expected to last long on the market, so don't miss out on this opportunity! The pictures are dark because of a power outage in the area due to high winds, and the owner is in the process of moving out personal items. The pool will be cleaned within the next week or so. New pictures will be taken soon!

Built in 1963
