Residential on 0 Acres

other, Buena Park,

Are you ready for your first? 'Cause this is her first time, first time on the market! Here's what you get, a home that has been meticulously loved and maintained and money put where it really matters; adding a bathroom, another living space, as well as enclosed patio (and yes, they were all permitted). Here's what you don't get, a house that over 67 years has had a bunch of ugly, hodge-podge upgrades that you don't like. She's an original OG to the neighborhood that you get to decide how you want her to look. She is set up for entertaining with the dining room off the kitchen, two split-wing living areas, a perfect sized backyard and split-wing bathrooms. And her placement in the neighborhood is just right! This cul-de-sac offers the perfect spot to have block parties, learning how to ride a bike, playing sports (or watching them), or just to be more in a more private location. The bonus? The neighborhood â€” this is where it just keeps getting better â€” everyone knows everyone, it's a wonderful community, and you are close to everything from Knott's Berry Farm, Cerritos, shopping, dining, and freeways. She won't last long, so if you want to make her yours, she is making her first debut this Saturday!
