3 Bedroom, 3.00 Bathroom, 1,927 sqft
Residential on 2 Acres

N/A, Oak Hills,

Welcome home to this beautifully upgraded and maintained home, which sits on approx 2.23 acres of land in Oak Hills and provides endless possibilities! This property is move-in ready and features a good size family room that is open to the kitchen and informal nook area and is anchored by a cozy fireplace. The primary suite features an oversize soaking tub, walk-in closet, and tons of natural light thanks to all of the windows facing the rear yard. Both secondary bedrooms share a full bathroom and on the opposite side of the kitchen there sits a 4th room (currently used as a guest room) that can serve any purpose you desire. There's also a separate laundry area and powder bathroom. This home was repainted on both the inside and outside within the last 5 years to a nice bright white color. In addition to the home, there's an outdoor space that's truly second to none in the Oak Hills area! Get ready to host and entertain all year long or even just take advantage of the setting for some weekly relaxation! Turf was installed approximately 2 years ago in a large portion of the rear yard, which is very low maintenance. Additionally, the large outdoor gazebo includes a built-in television, heaters and market lights. To one side of the gazebo, there's a small "cowboy tub" which sits close to your very own "saloon", which is an old wooden storage structure that was originally built to house a washer/dryer for guests who might be visiting and staying in an RV on the property. With that in mind, it's also worth noting there is a

designated concrete RV pad with full hook-up abilities and a septic tie-in near the side yard. Opposite the outdoor gazebo in the rear, is yet another building (approx 900 sqft) which is currently being utilized as a full home gym and separate storage room; both buildings have electricity. Finally, if you need extra space for an ADU, dirt bike track, large vehicle storage, arena or stables for horses, room to build a second home for guests/family or anything else you can dream of, then you'll appreciate the fact that the adjoining dirt lot to the east is also a part of your property, but separated by a chain link fence! The possibilities are truly endless with this rare find in Oak Hills! Schedule your showing and be prepared to be impressed!
