Residential on 0 Acres

Other, Fullerton,

This home has so much charm throughout the entire home. Great curb appeal with an extra large driveway and cute front steps leading up to the front door. Once inside, you'll see beautifully restored and maintained hardwood flooring, it is real hardwood and not fabricated flooring. A lovely and modern fireplace accents the living room and the rooms all have ceiling fans. The kitchen has been updated with Corian countertops, refrigerator is shown in a photo but is not included in the sale of the home. The backyard has a covered patio, a storage shed, and lots of fruit trees but the real charm is all the grown plants. The home includes solar panels, central AC, and a full house vacuum system. It's really turn key ready and just waiting for a new owner to move in. The two car garage has extra storage cabinets, a darkroom for developing photos, and a utility sink/counter area.

Built in 1956
