From the handcrafted wood doorways to the meticulously finished garage, every detail has been considered. Step into the home and be welcomed by a spacious step-down family room with soaring vaulted open-beam ceilings and a dramatic floor-to-ceiling fireplace finished in Palo Verde stone and handmade metalwork. Natural light fills the room through multiple windows, creating a warm and inviting atmosphere with beautiful views of the yard. The large open kitchen has been tastefully updated with new soft-close doors and drawers, a charming corner breakfast nook, and plenty of space to add a center island. The step-down master suite offers more vaulted ceilings, dual closets, and an en-suite bath. Two additional bedrooms are comfortably sized and located near a generous full hall bath with dual sinks. A dedicated laundry room is conveniently located in the hallway, and dual-pane windows with plantation shutters can be found throughout the home. The attention to detail extends to the exterior as well. A remote-controlled gate opens to a beautifully maintained driveway and a fully finished garage featuring epoxy floors, a utility sink with its own hot water tank, a refrigerator, 220V wiring, and extensive custom storage. The property also includes an RV sewer station with water and power, a soft water hose bib for spotless car washing plus a
