Prime San Pedro Fourplex EXCELLENT
INVESTMENT or OWNER-OCCUPANT
OPPORTUNITY!

Welcome to 1729 S. Alma Street, a fantastic four-unit property located in a highly desirable area of San Pedro—just walking distance to the beach, San Pedro High School, shopping centers, grocery stores, and a variety of local restaurants. This is an ideal opportunity for investors or owner-users looking to secure a strong income-producing property in one of the South Bay's most sought-after coastal neighborhoods.

This well-maintained fourplex features three spacious 2-bedroom, 1-bath units, all currently occupied, and one fully remodeled 3-bedroom, 2-bath unit. Each unit includes washer and dryer hookups, private garage parking, and is individually metered for gas and electricity—a valuable benefit for long-term management and expense control.

Whether you're seeking steady rental income or planning to live in one unit while renting out the other three, this property offers a smart way to offset your mortgage and build long-term equity. It also provides solid returns with upside potential through future rent growth or value-add improvements.

San Pedro is a community on the rise, with major developments like the \$150 million West Harbor waterfront project—a premier retail, dining, and entertainment destination coming soon. The area continues to attract long-term

residents and new investment, thanks to its growing population, rising income levels, and ongoing city improvements.

Don't miss your chance to own a well-located fourplex in a thriving coastal market with room for long-term growth.
