4 Bedroom, 4.00 Bathroom, 1,825 sqft
Residential on 0 Acres

N/A, Whittier,

Fall in love with this custom built pool home with luxurious amenities in the heart of Whittier! Rebuilt in 2022, this incredible 4 bedroom home sits on a corner lot with plenty of space to entertain family and friends. The vibrant chef's kitchen is majestically designed with glistening stone counters, dark blue cabinetry and top of the line stainless steel appliances. The kitchen flows elegantly into the craftsman style living room and dining area. The spacious primary bedroom suite offers everything on your wishlist including a walk-in closet with custom pull-out drawers and a private office workspace. The attached primary bathroom includes dual vanity sinks, pampering station and a well-designed oversized walk-in shower. The second bedroom is a junior suite complete with its own walk-in closet and attached bathroom with a well-crafted and spacious walk-in shower. Other features include: two additional bedrooms connected by a Jack & Jill style bathroom, central air and heat, recessed lighting, well-crafted half bath, solar panels and electric vehicle charger. The backyard features a covered patio with firepit, barbecue island, and a new state-of-the-art above ground pool where you can transform the shallow end of the pool into a jetted spa at the touch of a button. This home checks every box and will bring pride and joy to your family for generations.
