Wrigley Area (WR), Long Beach,

Charming Spanish Revival with Modern Upgrades and a Detached ADU in Wrigley! You will love the details and features in this beautifully updated 1934 Spanish-style home, ideally situated on a corner lot in the Wrigley neighborhood. From the arched windows and entry turret to the low-maintenance landscaping and iron fencing, this home offers curb appeal and comfort. The main residence features 3 spacious bedrooms, including one being used as a home office, and a remodeled bathroom. The recently updated kitchen features modern finishes while maintaining the home's original character. Double doors connect the dining area to a private garden patio, making it perfect for al fresco dining. The large living room is warm and inviting with a picturesque arched window, faux fireplace, recently installed lighting, and an arch leading to the dining room. A true oasis, this home offers multiple outdoor spaces for relaxing and entertaining, including a "secret garden" hidden behind mature 8-foot hedges, a side patio off the main home, and a generous yard between the house and the detached studio ADU. With easy-care turf, you can simply enjoy the outdoor space rather than spend your time maintaining it. The detached ADU, completed in 2023, offers almost 400 square feet of flexible living space—perfect as a guest suite, home office, or income-generating rental. Both the main home and ADU feature newer luxury vinyl plank flooring, recently replaced roofs, and upgraded electrical

systems. The plumbing has also been updated with a new main line and kitchen lines. Additional highlights include an electric EV car charger in the garage and multiple laundry areas (main home, ADU, garage) and a detached 2-car garage. This property offers a rare combination of historic charm, modern upgrades and the added value of a detached ADU, all in a location that's convenient to shopping, restaurants, schools, and transportation. Don't miss the opportunity to make 2200 Pine Avenue your new home!
