\$575,000

4 Bedroom, 3.00 Bathroom, 2,672 sqft
Residential on 2 Acres

N/A, Hesperia,

This 3200 (40' W x 80' L) square foot, two story "toy" garage comes with a house! And a container for the rest of your toys. Oh, and a 3 car garage for more vehicles/toys! This is definitely the property for you if you have a lot of grown up toys. The RV garage has two roll up doors at the front with a third at the rear so you can pull your RV/boat/dune buggy through if you like. And it comes with a house! A terrific, single story 2672 square foot house on nearly 2 acres of flat, easily accessible land. Loads of off-street parking, circular driveway with two wrought iron access gates (controllable via remote) which will make pulling your large vehicles on/off the property a piece of cake. The house has 4 bedrooms (one currently being used as an office) - two of the bedrooms have adjacent rooms with closets which could potentially give you 6 bedrooms/extra office space/weight room/meditation, craft or yoga room(s). The possibilities are endless. The game/entertainment room is large enough for a pool table with an elegant built-in wet bar. Be sure to look at our 3D tour to get a feel for this unique floor plan. Could work well for multi-generational living. Call to arrange your private showing today.
