MLS® #PW25131038

\$350,000

3 Bedroom, 3.00 Bathroom, 1,520 sqft

Residential on 0 Acres

N/A, Moreno Valley,

Wow Wow Wow!!! Bring you contractor. This two story home is a Diamond in the rough, rough, rough state. I see termite damage, cabinet damage, water stains... Bring your paint brush and give this spacious home a face lift so that it can truly shine! I love the fireplace and wet bar in the living room - perfect for entertaining large groups of people!

The back yard is also full of potential for gatherings, with ample space to make it a comfortable outdoor living space. The primary suite makes for an ideal retreat, with a large ensuite bathroom (so much counter space!), 2 closets, and a separate room for the toilet & shower. The vaulted ceilings in the primary and other bedrooms add a sophisticated, deluxe feel to the house, and allow for extra storage or display in the spaces above the closets. The kitchen is also generously sized. I can envision a beautiful space to cook & enjoy the natural light & time with loved ones every day in the heart of this home - and YOU get to choose the color scheme! The garage has plenty of space for 2 vehicles & your washer & dryer in the alcove (rather than just right in front of your vehicles like many minimal garages), and can be accessed directly from the house for ease of entry, exit, and chores. Conveniently close to the 215 freeway. I can't wait to see the "after" pictures on this one. Cash investors: Hurry and get it before someone else does!
