General Tract, Buena Park,

Come on home to this beautiful and welcoming General Tract 4 bedroom 2 bath home in the heart of the neighborhood. Excellent drive up with attractive curb appeal, facing north and wonderfully maintained. Dual pane windows, extra-long cement driveway for extra cars or an RV, Forced Air conditioning and Heat. 1497 square feet of great functionality and flow, the formal entry leads you into a completely remodeled kitchen with maple cabinets, plenty of granite countertop space and cupboards, curio shelving and cabinet, recessed lighting, double oven, and a gas stove. Refrigerator stays with the home. Dining room is good sized and leads out to a perfect back yard for increased entertaining potential. Living area is oversized, with a beautiful floor to ceiling used brick fireplace with a raised hearth and mantel for all your family photos. The crown molding, smooth ceilings, new paint, and recessed lighting frame this room perfectly and there is enough room to fit all your comfortable furniture. Primary bedroom is good size with dual wardrobes and an ensuite primary 3/4 bath with a large walk-in shower and extra linen storage all in pristine condition. The additional bedrooms are generous size with ample finished closet space. Hallway service closet was repurposed into a giant finished storage area, very functional. Furnace was moved to the garage and H2O heater to the exterior. The back yard area is delightful; the large seating area under a covered, detached Patio is relaxing and perfectly set in a serene

and peaceful back yard. The garage is fantastic with a pull-down staircase and built in attic storage. This home is located in the Kennedy/Walker school district and Raymond Temple Elementary which is an easy walk. Also testing into the prestigious Oxford Academy is available.
