A Home With History, and Room for Your
Future | 704 E Stearns Ave, La Habra

This isn't just a house—it's a chapter in someone's story. For decades, this 3-bedroom, 1-bath home (approx. 1,100 sq ft) was filled with the sounds of life. Eight children were raised here, and the walls hold generations of laughter, milestones, and memories.

Now, for the first time in decades, this legacy home is ready for its next chapter.

Yes, it needs updating—paint, carpet, kitchen, bath, landscaping. But what it offers is far more rare: a rock-solid structure, a big backyard with ADU potential (check with the city), and a fully insulated two-car garage built to support a second story add-on.

This is your chance to honor the past while building your future. Whether you're an investor with vision or a homeowner ready to write your own story, opportunity lives here.

Homes like this don't hit the market often. Especially not ones with this kind of soul.

Built in 1954
