4 Bedroom, 2.00 Bathroom, 1,462 sqft
Residential on 0 Acres

N/A, Whittier,

Wow Wow Wow!!! ADU potential!!! How about FHA or VA... This is a great find! 4 bedrooms PLUS a den/bonus room PLUS a finished shed (check out the photos - you'll love it!)

This house is on a cul-de-sac, has a large driveway, and is situated in such a way that there is a generous amount of street parking available. There are no homes to the north as it's a church parking lot. So you have a view to the north with no homes to block your view of the sunset... This attractive home in Whittier is ready for you to move in and call it home!

Granite counter tops, in-kitchen laundry, dining room, remodeled bathroom, and more. The roof was replaced in January 2019, Each bedroom has its own window AC unit, & the electric has been wired such that they each have their own circuit so that youâ€™re not always overloading. This home features highly coveted gated RV/trailer parking on the side, functional & nicely designed wrought iron gates at the front of each side yard (both concrete), and a large, covered, wrap-around patio area in the back yard for outdoor entertaining. No need to spend money and effort on pergolas or umbrellas: just invite your friends over and enjoy! The kitchen & dining room are both located on the side of the house where your guests can enter & exit the covered patio so that everyone is always together. There is a nice view of the back patio (& sunsets!) from the kitchen sink. I love the he/she shed that maybe could be used as a home office, a play palace for the kids, or even

a place to accommodate an overnight guest. The den/bonus room offers additional flexibility and options for you and your loved ones to enjoy more time at home. The electrical panel was upgraded to a 200 amp service, so lots of power. Several fruit trees, including tangerine & loquat. The front porch is also covered, with enough room for sitting out in the evenings or mornings. Conveniently close to Gateway Plaza Santa Fe Springs, grocery stores, Adventure Park, Candlewood Country Club, and other amenities. You won't want to miss the opportunity to own this great home! (*Note: some photos are from 2017 when property was vacant.)
