Modern Pool Home in West Long Beach â€“
Move-In Ready and Full of Upgrades

This fully remodeled 3-bedroom, 1-bath home is a rare find in West Long Beach, combining modern style with comfort and a backyard built for entertaining. Renovated throughout in 2017, the home features a new roof (2017), HVAC, updated electrical and plumbing, dual-pane windows, tile and laminate flooring, and a completely redone kitchen with quartz countertops, stainless steel appliances, and custom cabinetry.

The open-concept layout creates a welcoming space that flows from the living room into the kitchen, which includes plenty of counter space, cabinet storage, and a bar area for casual dining. There's also an indoor laundry area and a flexible bonus room at the back of the home that can easily serve as a home office, den, or creative studio.

Outside, the private backyard is perfect for hosting with a large pool, covered wood patio that's perfect to watch the big games or just enjoy the SoCal weather, and a detached 2-car garage. The garage is finished with drywall, epoxy floors and added roof storage with a pull-down ladder. With alley access, itâ€™s also a great candidate for an ADU conversion.

Conveniently located minutes from Downtown

Long Beach, close to parks, schools, shopping, and with easy access to the 710, 405, and 91 freeways, this home checks all the boxes for modern living with future potential.
