Residential on 0 Acres

Old Town (OLDT), Seal Beach,

3 GARAGE SPACES + A BEAUTIFULLY REMODELED HOME IN OLD TOWN SEAL BEACH! Just 3 blocks from the beach, this single-story home is a rare gem that combines spaciousness with contemporary elegance. Complete with three bedrooms, two bathrooms, ample living space, & a very rare garage set-up. The interior was completely remodeled in 2025, utilizing top-of-the-line finishes, fixtures & fittings. The matching stainless steel appliances are all made by Fisher & Paykel, the kitchen cabinets are made of custom rift white oak finished in luxurious Rubio Italian oil, & the kitchen countertops feature exquisite Taj Mahal quartzite. The backsplash was finished with tile curated by local designers, & both the interior & exterior were painted using Farrow & Ball paint, a local company specializing in high-end paints for homes. The open living room welcomes you as you walk in, opening to the extra-wide hallway that leads back to the kitchen & yard. Two of the bedrooms feature bathrooms, & the third bedroom can be utilized in various ways. It can be a bedroom, an office, or an elegant dining room with double doors that open to the kitchen.

The owner has crafted the living areas to be light, open & versatile while preserving the soul of the home's original Norwegian heritage & design. The backyard will surprise you! There is so much to see! Artificial turf inlays adorn the cement pads, an outdoor shower done in a "retro" style set

against a beautiful textured tile wall, designer lights & new vinyl fences/gates. Adjacent to the shower is a semi-private outdoor dining area. Two of the garage walls open to transform the garage into a “hang-out room,” extra space for when you are hosting a party, or even a man cave! That is not all! Adjacent to the two-car garage is a single garage space with a roll-up door, allowing space for an extra car or more yard space. Then, behind the two-car garage is a cement pad for more parking! That is, unless you wish to play basketball in the large alleyway, using the new adjustable backstop that was just installed. This home not only offers an ideal location, but is part of the Award-winning Los Alamitos Unified School District, one of the best in all of Orange County! See this home today!
