N/A, Redondo Beach,

Get ready to fall in love with this spacious, sun-soaked 2-story townhouse-style condo, offering the perfect blend of updated style, smart layout, and serious entertaining potential, just minutes from the beach! At the heart of the home is the refreshed kitchen, complete with new quartz countertops, a sleek single-basin sink, refinished cabinets, and stainless steel appliances, ready for everyday living or late-night snacks after a beach day. The kitchen flows seamlessly to the living room, perfect for entertaining. The fireplace adds a warm touch for chilly winter days, and just off the living room, a private patio extends the living space for entertaining or unwinding. The main level features a versatile bedroom and a full bathroom with a shower, ideal for guests or a home office setup. Upstairs, all three bedrooms are private en-suites, each with direct access to its balcony, giving everyone their own retreat. But the real showstopper? The primary bedroom is spacious, featuring a lovely gas fireplace and sitting area. A massive rooftop deck that practically begs for summer BBQs, sunset hangs, or full-on rooftop soirées. Laundry is located upstairs, making the mundane task all the easier. This home also features a newly resurfaced and waterproofed flat roof (ask for details!), giving you peace of mind for years to come. Despite being a condo, this home shares only one wall and offers the privacy and feel of a single-family residence with no shared driveways, entryways, or walkways.
