1 Bedroom, 1.00 Bathroom, 750 sqft
Residential on 4 Acres

St. Albans (STAL), Santa Ana,

Location Location Location!!! Prime South
Coast Metro Condo with Exceptional Upside
Potential!

Welcome to this beautifully updated ground-level 1-bedroom, 1-bathroom condo in the desirable St. Albans community. Step into an open-concept living area featuring a cozy fireplace and oversized sliding doors that open to your own private patio—perfect for morning coffee or a relaxing glass of wine in the evening. The kitchen boasts granite countertops, stainless steel appliances, and a convenient breakfast bar for casual dining. The spacious bedroom includes a walk-in closet and direct access to the large full bathroom. Additional highlights include in-unit laundry for added convenience. All appliances are included for a truly move-in ready experience!

Future Growth! This condo is just steps from the exciting MAJOR development that everyone is talking about — The Related California Bristol project. Beginning city construction in early 2026, the project will transform the former Metro Town Square site into a walkable urban village with retail, dining, grocery, hotel, offices, and over a dozen acres of parks, plazas, and green space—all within a 5-minute stroll—literally right down the street! This condo offers the best in future forward living.

Unlike surrounding communities that are subject to high land lease fees, St Albans HOA

purchased the land in 1999, resulting in a symbolic \$1 annual lease â€” yes, just \$1 !!! This makes the home eligible for both conventional and FHA financing. HOA dues also cover water and trash, and the unit includes two parking spacesâ€”one assigned/covered and one unassigned/uncovered.

St. Albans offers resort-style amenities including sparkling pools and spas, tennis courts, a gym, and beautifully landscaped grounds. Ideally located just minutes from South Coast Plaza, fine dining, world-class theaters, and major freewaysâ€”this is an incredible opportunity to own in a well-established community with exceptional upside potential.
