WOW~WOW~WOW!!! OPEN HOUSE CANCELED Hereâ€™s your opportunity to own an affordable home in the desirable Rowland Heights area! Built in 1960, this three-bedroom, two-bath property blends the charm of traditional style with hints of semiâ€“mid-century modern flair. With 1,120 sqft of living space, a two-car attached garage with direct access and a garage door opener for convenience, this home is packed with potential and ready for you to make it your own. Step inside and youâ€™ll find a comfortable floor plan with a full bathroom featuring a tub/shower combo, plus a second bathroom with a stall shower for added convenience off the main bedroom. The living areas offer great natural light and a welcoming feel, perfect for relaxing or hosting friends and family. The central air conditioning and heat keep you comfortable year-round. One of my favorite features is the enclosed patioâ€“not part of the square footageâ€“yet an incredible bonus space. I can easily envision coming home after a long day at work, grabbing a refreshing drink, and unwinding in this private retreat. Itâ€™s the perfect spot to read, catch up with loved ones, or simply enjoy a quiet moment. The backyard offers room for you to create your own outdoor oasisâ€“whether thatâ€™s adding a garden, creating a barbecue area, or designing a play space. The home does need some updating, which means you have the perfect opportunity to infuse it with your own style and preferences. Picture
