Sunny Hills (SUNH), Fullerton,

This exquisite property is a horticulturistâ€™s dream! Replete with 22 fruit trees, rare succulents, drought tolerant shrubs, herbs and more; it is a delight to meander and explore. Once owned by the Bacon family, famous for their â€œBacon Avocadoâ€•. The property is surprisingly low maintenance, including reclaimed water barrels and drip irrigation system.

The home is a fabulous mid-century modern timecapsule with a very well-designed floorplan, accentuating what mid-century architecture aimed for (to create an open flow and integration with nature). The skylight in the breezeway gives sunshine for landscape to thrive, defining the homeâ€™s bohemian style as you leave your car to the carved entry doors. Upon entry, you are greeted with classic mid-century slat wall dividers. Gather in the large, light and bright living room. Notice the walls of glass allowing the lush landscape to be your artwork. A classic Mid-Mod feature is the atrium wall in the hall bath. Each room boasts generous square footage and closet storage. The primary bedroom enjoys itâ€™s own covered patio and en-suite bathroom w/ two separate sink vanities, a makeup vanity, and a tub/shower joined by a private toilet roomâ€litâ€™s a classic Hollywood bathroom. The kitchen has a breakfast bar, is open to the family room, enjoys direct access to a large dining room and to a utility/laundry room. The entire property has NO STEPS, except a few

at the mailbox.

The roof tiles are pristine. The HVAC is newer and very efficient. The vaulted interior of the 2 car garage provides a large attic for storage. The 14 ft tall greenhouse is enclosed w/ glass and shade cover, strengthened by steel masts, including a scaffolding for placement of hanging irrigation lines and plants. The driveway is long and wide w/ space for RVâ€™s, toys, and lots of cars. This pie-shaped, cul-de-sac lot offers so many possibilities: ADU, pool, and/or house expansion!

Sunny Hills Estates is one of the most prestigious of Fullerton, so this home is surrounded by multi-million dollar properties. The school district is one of the most highly sought after in all of SoCal: itâ€™s an Open district letting you choose from Sunny Hills, Sonora or Troy high school, to name a few.

Home, plumbing/sewer, and wood-destroying pest inspection reports are provided. The home is sold as-is; the seller makes no repairs or repair credits. There are no known issues that would negate qualifying for a loan. Itâ€™s shown by appt only to qualified buyers.
