3 Bedroom, 2.00 Bathroom, 1,280 sqft
Residential on 0 Acres

N/A, Ontario,

Renovated in 2023, this modern home has been redesigned from the ground up with a bright and airy open-concept floor plan featuring tall beamed ceilings. The interior was fully reimagined with upgraded insulation, dual-pane energy-efficient windows, updated wiring, a brand-new electrical panel, and recessed lighting throughout.

Climate control is handled by multiple mini-split air conditioning and heating systems, each operating independently for efficiency. The home was painted inside and out, within the past 3 years, and features all-new flooring. The kitchen was rebuilt with white cabinetry, a farmhouse sink, stainless steel appliances, and a large custom island.

The bathrooms were also remodeled: the original bathroom now includes a new tub, shower enclosure, vanity, and fixtures, while the large primary en-suite offers a spacious walk-in shower, modern vanity, and updated finishes.

Set on a large lot, the property offers a long driveway with ample parking. Conveniently located near schools, shopping, restaurants, and just a few blocks from the 10 freeway, this home combines thoughtful updates with modern comfort in a prime location. No HOA, come and see this home today!
