Welcome to 6568 Youngstown Street â€” a lovely Single Story, One Level home with no interior steps thatâ€™s well located in the highly sought after College Park community. Featuring 3 bedrooms and 2.5 bathrooms in almost 2,500 sq ft on a generous 6,000 square foot lot - larger than most in the community. This fantastic, livable floor plan features the primary suite in the rear west of the home and the two secondary bedrooms, along with a flex/teen room in the front east side of the home that creates the perfect separation for families and guests. The ensuite primary bathroom features a large walk-in closet, separate soaking tub and walk-in shower and a large dual sink vanity. Beyond the entry foyer thereâ€™s an open multipurpose room that can be used as an office, dining room or however you desire. The spacious kitchen has a walk-in pantry, an island with bar seating for 5, double ovens and lots of counter and cabinet space. The kitchen opens to the spacious family room with a cozy fireplace and dining room with a sliding glass door to the backyard. Conveniently, thereâ€™s an inside laundry room with a sink and window adjacent to a built-in desk area. This home faces South and receives abundant natural daylight. The oversized, attached 2-car direct-access garage has epoxy flooring and a door to the side yard. While in the private backyard youâ€™ll also love that thereâ€™s no homes immediately to the rear so thereâ€™s more of an open feel than many other homes in the area. Additional

features include 9â€™™ ceilings, recessed lighting throughout and all rooms are wired for ceiling fans. College Park is a wonderful community with multiple parks and amenities that include 2 Pools, a BBQ area, a Gym and a Clubhouse, in addition to several events throughout the year which are enjoyed by many.
