Residential on 0 Acres

unknown, Corona,

Great opportunity for a flip or for first time home buyer who is handy! Kitchen was remodeled recently and is in fantastic shape with luxury appliances (48 inch NXR 6 burner range with double oven in stainless steel). Half bath downstairs has also been remodeled.

Upstairs bathroom is original. Master bathroom was in the process of being remodeled but was never finished, bathroom is completely demolished down to studs and materials for remodel are present and will be included with the sale of the house! Great neighborhood and great bones with a view of the hills right out your front door!
